**TENDER DOCUMENT**

**SECTION I –TENDER INVITATION**

**1. INTRODUCTION**

1.1 HCL, a public sector undertaking under the administrative control of the Ministry of Mines, Govt. of India, was incorporated on November 09, 1967. It is the only vertically integrated copper producing company in India with presence in mining, beneficiation, smelting, refining and downstream saleable products.

**1.2 BRIEF DESCRIPTION OF KOLIHAN UNDERGROUND MINE:**

Khetri Copper Complex (KCC) at Khetri Nagar, Rajasthan is situated about 160 km north of State Capital Jaipur and 180 km southwest of India's Capital City, New Delhi.

Kolihan Copper Mine is a trackless mine. The surface RL of mine is 424 mRL. Kolihan Copper Mine has a strike length of 600-700m; average width of ore body is 45 m dipping 80° due West.

Kolihan Mine has one Vertical Shaft with Production Winder and a Service Winder. The Service Winder is for transportation of men, material & waste rock hoisting and the Production Winder is for ore production only.

**1.3 SCOPE OF WORK**

The Successful Bidder shall supply, operate and maintain three sets of new LHD and LPDT of capacity as detailed below. New set of equipment means that year of its manufacturing should not be more/older than 12 months from the date of supply at the site. The bidder shall certify & confirm in writing that the equipment to be supplied to HCL shall be in new-condition.

The detailed scope of work is as below:

1.3.1 1 LPDT and 1 LHD will form 1 set and 2 Nos. of such sets are required for production from stopes at different levels. Further to the 2 sets of Diesel equipments, additional 1 No. LHD & 1 No. LPDT (all in new condition) to be kept

ready to avoid production loss keeping in view 3 shifts continuous operation. However, in case of exigency Successful Bidder may be required to do production from one level as per instruction of Engineer-in-charge.

- 1.3.2 The size of the drive where the LPDT is expected to run is 4.2 to 4.5 m width x 3.2 to 3.5 m height and that for the operation of LHD, draw point size in stopes is 4.0 m x 3.2 m. However bidder must visit and inspect the mine drive size, Decline from surface to 64 mRL and turning radius (Curvatures at various junctions at Levels and Decline) before bidding for selection of equipment.
- 1.3.3 Each set is expected to handle 325 metric tonne/shift. Hence daily target per set will be 975 metric tonne. However target of each calendar month will be informed at the start of respective month. Generally total tonnage to be handled by the two sets in each calendar month would be 55,000 metric tonne, working inclusive on Sundays but exclusive of paid holidays (Gazetted). However bidder may operate equipment on paid holidays also with the approval of HCL's management.
- 1.3.4 The haulage in this mine has been designed to accommodate to run successfully with 30 metric tonne LPDT. The LPDT is therefore expected to be of 30 metric tonne capacity and LPDT should be easily loaded by the LHD from the side of the LPDT and not from rear of the LPDT in order to have full utilization of the LPDT dump box. While loading, the LHD and LPDT should be positioned in the same level.
- 1.3.5 The LHD should be of 10 metric tonne capacity.
- 1.3.6 The Successful Bidder has to transport the blasted ore from stope to ore pass grizzly.
- 1.3.7 Grizzly having openings of 850 mm x 850 mm are equipped on fork raises where LPDT loaded with blasted ore is unloaded. Grizzlies are equipped with Rock Breaker(s) (Hydraulic/Pneumatic) to break /manoeuvre the over sized boulders.
- 1.3.8 Maintaining the dust free working condition by means of water spraying is also in the scope of Successful Bidder.
- 1.3.9 The Successful Bidder shall provide copy of Purchase Orders (POs) for three LHD of 10 metric tonne capacity and three LPDT of 30 metric tonne capacity placed by them on the equipment supplier within 07 days of issue of LOI.

1.3.10 Workshop facilities: The successful bidders shall be provided space for Work shop as it where is basis. However, the successful bidder has to make the work shop at surface /Underground on its own cost for maintenance of LHD and LPDT etc. Existing permanent structure, compressed air and power supply may be provided free of cost but EOT crane, proper lightening arrangement, etc. and subsequent maintenance of facilities will be the responsibility of Successful Bidders at its own cost. The Successful Bidder has to equip the workshop with all the modern tools and tackles for maintaining consistent availability of equipment required for maintaining the production target.

**1.3.11 Schedule of Operation:**

- 1.3.11.1 LHD will be deployed at various production levels as per instruction of Engineer-in-charge or his representative to load blasted ore from stope to LPDT.
- 1.3.11.2 LPDT will be deployed for hauling of blasted ore loaded by LHD from stope to Ore pass grizzly at an approximate distance of 100 m to 800 m however the distance is indicative only may vary site to site.
- 1.3.11.3 Before dumping of the blasted ore by the LPDT near the ore pass there will be a bit stoppage of LPDT for weighing and sample collection. LPDT will dump the ore at ore pass grizzly after weighment.
- 1.3.11.4 The empty LPDT will be weighed only at the beginning of each shift with the same weighing system for empty weight and will return to stope for further loading of ore by LHD. However, further weighment of empty LPDT will be at the sole discretion of the Engineer-in-charge/Shift supervisor which he may require weighing of every empty LPDT per trip depending upon the situation. In case of breakdown of weighbridge, previous 7 days average tonnage per trip/ per LPDT shall be considered for empty as well as loaded weight of LPDT. Tonnage hauled will be calculated by multiplying the no. trips made in a particular shaft in such situation.
- 1.3.11.5 Two (2) number Weigh Bridge PC operation is responsibility of Successful Bidder and maintenance is responsibility of HCL through another Annual Maintenance Contract (AMC). However, for cross check of shift wise tonnage, HCL representative will do cross check work & countersign on shift wise tonnage data sheet furnished by the Successful Bidder.
- 1.3.11.6 To achieve the targeted production, the bidder has to ensure operation of 2(two) Sets all the time in each shift (min 5 hrs.) except allowed schedule maintenance. In case of failure/major breakdown of the equipment, the Successful Bidder shall

have to replace the same with the available standby equipment to continue production and maintain target for the month.

1.3.12 Other terms & Conditions:

- 1.3.12.1 Supervision of the area and the equipment will be the responsibility of the Successful Bidder and sufficient no. of Operators (LHD, LPDT etc.), Mechanics, Fitters and helpers for the continuous operation of two sets of equipment at different levels will be the responsibility of the Successful bidder. The Successful bidder has to operate and carry out daily maintenance of equipment to get maximum production and smooth functioning of the equipment. The bidder has to submit the list of manpower (category wise) to Engineer-in-charge before commencement of the operation.
- 1.3.12.2 The Successful Bidder will keep qualified competent persons, technicians, helpers and other personnel required to ensure minimum guaranteed production @ 55,000 metric tonne of ore in a month.
- 1.3.12.3 Bidder will designate One LHD (10 metric tonne capacity) and One LPDT (30 metric tonne capacity) for each SET.
- 1.3.12.4 Effective working hours in a shift shall be 5 hours minimum. However, one shift of any one day in a week shall be given as full shift maintenance for each set as decided between the Successful Bidder & the Engineer-in-charge.
- 1.3.12.5 In case the Successful Bidder fails to provide minimum guaranteed production @55,000 metric tonne per month, they shall be liable for Liquidated Damage (LD) and the same shall be deducted as per the LD clause of this tender document.
- 1.3.12.6 The Successful Bidder shall keep skilled operators, Mechanics, Fitters, Helpers and Mining Mate in sufficient numbers for smooth operation of the equipment and supervision of the area. The operators to be engaged in operation must have minimum one year experience for operating such kind of underground LHD and LPDT. The operators have to undergo vocational training as per the Mines Vocational Training Rules and have to undergo preliminary medical examination as per Mines Act in the Company's hospital.
- 1.3.12.7 Road Maintenance: The Successful Bidder shall make necessary arrangement for resources, including required equipment (pneumatic pumps etc. as required) for the maintenance of the roadways (from loading point to unloading point/haul road) for cleaning, leveling and drainage of water at site, where the equipments are working at its own cost. The Successful Bidder shall keep the drainage free from spillage, boulders, silt etc. all the time for free flow of in bye water from the other workings of the mine irrespective belonging to HCL or other agencies.

HCL shall not be responsible for poor condition of the roadways where the equipment shall be deployed.

- 1.3.12.8 The Successful Bidder or his representative posted at site will report to Engineer-in-charge, appointed by the Mines Manager or authorized Section Officer or the shift Supervisor as per direction of the Engineer-in-charge. The operator will do the mucking as per the direction of the site Supervisor. The Successful Bidder or his representative will keep them informed regarding all activities related to the contract and any unsafe situation in the working area and also report about the condition of LHD and LPDT. The Site-in-charge of bidder will follow the instructions given by Engineer-in-charge or his representative. The Successful Bidder or his representative will maintain all the records of spares available /required for maintenance and will plan activities of daily maintenance, minor & major maintenance to give maximum availability of equipment. The Successful Bidder shall also plan daily/ weekly/ fortnightly/ monthly maintenance activities as per the recommendation of manufacturer and submit the same to Engineer-in-charge in advance.
- 1.3.12.9 Spare parts: Procurement of spare parts and consumables required for maintenance and smooth running of equipment including tyres shall be the responsibility of the Successful Bidder at its own cost. The Successful Bidder should maintain a stock of essential spares as per the recommendation of the manufacturer, which may be required to ensure immediate maintenance with minimum downtime.
- 1.3.12.10 **Safety Features in the equipment:** The equipment supplied/ used by the Successful Bidder must be provided with the safety features to meet the requirement by DGMS and other bodies. **Equipment to be deployed by the successful bidder should also be compliant with the DGMS circular no DGMS (S&T)/(Tech) Circular no 1 dt 13.08.18, strictly.** The Successful Bidder shall maintain all standard safety devices / gauges and additional facilities provided by manufacturer during the entire contract period.
- 1.3.12.11 The bidder should give an undertaking on non-judicial stamp paper of denomination Rs 50/- duly notarized stating that original manufacturers (OEM) / Authorized Dealers of the proposed equipment for deployment as per NIT will set up Sales Maintenance Service Support facilities in India on their own or through OEM for the equipment proposed to be deployed within 6 months of date of issue of Letter of Intent / (LoI), like Depot / warehouse for supply of spare parts, Workshop facilities for servicing and repair of assemblies, subassemblies.

1.3.12.12 Documentary evidence confirming ownership / arrangement of minimum 2 nos LHD and LPDT having the said capacity as specified in clauses 1.3.4 and 1.3.5 / lower capacity and readiness to commence the work within mobilization period of 3 months (90 days) are to be submitted by the bidder.

The successful bidder can deploy set(s) of old equipment having the said capacity as specified in clauses 1.3.4 and 1.3.5/ lower capacity after issue of LoI till the date of delivery mentioned in the invoice of OEM plus six (6) days for transportation. Under no circumstances, deployment of old equipment will be permitted after the date of delivery mentioned in the invoice of OEM plus six (6) days for transportation. New equipment shall be deployed accordingly after that.

However, target will remain unchanged and work done during the mobilization period will be considered for payment after mobilization period of 3 months.

#### **1.4 SPECIAL CONDITIONS OF THE CONTRACT:**

The bidders shall be responsible for all the costs associated with the preparation of their tenders and their participation in the bidding process. HCL will not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the bidding process.

1.8 The Contract sets forth the detailed terms and conditions for the work, including the scope of the selected bidder's services and obligations.

1.9 The statements and explanations contained in this tender are intended to provide a better understanding to the bidders about the subject matter of this tender and should not be construed or interpreted as limiting in any way or manner the scope of services and obligations of the Contactor set forth in the Contract.

1.10 Any omissions, conflicts or contradictions in the bidding documents including this tender are to be noted, interpreted and applied appropriately to give effect to this intent, and no claims on that account shall be entertained by HCL.

1.11 HCL shall receive bids pursuant to this tender in accordance with the terms set forth hereunder and other documents that may be provided by HCL pursuant to this tender, including any modification, alteration, amendment or clarification that may be issued by HCL from time to time (collectively the "Bidding Documents"), and all bids shall be prepared and submitted in accordance with the terms of the bidding documents within the due date of submission.

## **1.12 Brief description of Bidding Process**

1.12.1 HCL has adopted a two-part process (collectively referred to as the "Bidding Process") for the selection of the bidder for award of the work. The first bid (the "Techno Commercial Stage") of the process involves the qualification of interested parties in accordance with the provisions of the pre-qualification criteria and the second bid is the price bid. Both the bids have to be submitted on the date of tender submission.

The second bid will be opened only for those bidders who have qualified techno-commercially in the first bid. In case it necessitates any change in the scope of work or change in the terms & conditions on the tender for some valid reasons, after opening of the tender, HCL at its sole discretion reserves the right to give an equal opportunity to the bidders to revise price bid (Part-II) of their offers, if they so desire, depending on the change in the scope of work/terms & conditions. At the bid stage, the aforesaid qualified bidders (hereinafter referred to as the "Bidders") are being called upon to witness price bid opening. The bid shall be valid for a period of not less than 180 (one hundred and eighty) days from the bid due date, and shall be extended by another 30 (Thirty) days, if required by HCL.

1.12.2 The bidding documents include the Contract as well as all the other appendices as annexed to this tender and all the aforesaid documents and any addenda issued subsequent to the issue of this tender, but before the bid due date, will be deemed to form part of the bidding documents.

1.12.3 The bidder is required to deposit, along with its bid, a bid security as per Clause 2.14. The bid shall be summarily rejected if it is not accompanied by the Bid Security.

1.12.4 **Site visit:** Site visit is mandatory before submission of bid. Bidders have to submit a certificate confirming to have visited the site, duly countersigned by HCL/KCC's Unit Head or his representative in the prescribed format as appendix IX C.

1.12.5 Any query or request for additional information concerning this tender shall be submitted by e-mail to the officer designated at clause 2.6.3.

### **1.13 Schedule of Bidding Process:**

HCL shall endeavour to adhere to the schedule provided for under this clause. However, in case HCL in its sole discretion undertakes any modification in the schedule specified below, the same will be conveyed through HCL website only. ## **2. INSTRUCTIONS TO BIDDERS**

### **a. GENERAL**

#### **2.1 Site visit and verification of information:**

2.1.1 Bidders must visit the work site and ascertain for themselves the site conditions, location, surroundings, climate, availability of power, water and other utilities for construction, access to site, handling and storage of materials, weather data, applicable laws and regulations, and any other matter considered relevant by them before submission of bid.

2.1.2 For this purpose, bidders shall communicate to HCL via notice/ e-mail indicating their intention to visit the site along with the intended date of visit and the details of their visiting representatives at least 3 (three) days before their intended visit.

HCL shall communicate its response to the interested bidders who are planning to visit the work site at the earliest approving the date of visit or may specify another date as it may consider suitable.

2.1.3 It shall be deemed that by submitting a bid, the bidder has complete understanding of the work and only after that the bidder has :

- a) Made a complete and careful examination of the bidding documents;
- b) Received all relevant information requested from HCL;
- c) Satisfied itself about all matters, things and information
- d) Acknowledged and agreed that inadequacy, lack of completeness or incorrectness of information provided in the bidding documents or ignorance of any of the matters shall not be a basis for any claim for compensation, damages, extension of time for performance of its obligations, loss of profits etc. by the bidders from HCL, or a ground for termination of the Contract;
- e) Acknowledged that it does not have a Conflict of Interest; and
- f) Agreed to be bound by the undertakings provided by it under and in terms hereof.

2.1.4 HCL shall not be liable for any omission, mistake or error on the part of the bidder in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to tender, or the bidding process, including any error or mistake therein or in any information or data given by HCL.

### **2.2 Verification and Disqualification**

2.2.1 HCL reserves the right to verify all statements, information and documents submitted by the bidder in response to the tender or the other bidding documents

and the bidder shall, when so required by HCL, make available all such information, evidence and documents as may be necessary for such verification. Any such verification or lack of such verification by HCL shall not relieve the bidder of its obligations or liabilities hereunder nor will it affect any rights of HCL there under.

2.2.2 HCL reserves the right to reject any bid and appropriate the bid security if:

- a. at any time, a material misrepresentation is made or uncovered, or
- b. the bidder does not provide, within the time specified by HCL, the supplemental information sought by HCL for evaluation of the Bid.
- c. No deviations shall be mentioned in the price bid or any part of the tender document, otherwise the offer will be summarily rejected.

Such misrepresentation/improper response shall lead to the disqualification of the bidder.

In case it is found during the evaluation or at any time before signing of the Contract or after its execution and during the period of subsistence thereof, that one or more of the pre-qualification conditions have not been met by the bidder or the bidder has made material misrepresentation or has given any materially incorrect or false information, the bidder shall be disqualified forthwith if LOI has not been issued to such bidder, and if the selected bidder has already been issued the LOI or the selected bidder has entered into the Contract, as the case may be, the same shall, notwithstanding anything to the contrary contained therein or in this tender, be liable to be terminated, by a communication in writing by HCL to the selected bidder, without HCL being liable in any manner whatsoever to the selected bidder. In such an event, HCL shall forfeit, invoke and appropriate the Bid Security, or the Performance Security and/or the payments made by the selected bidder as per the Contract, as the case may be, as damages, without prejudice to any other right or remedy that may be available to HCL under the bidding documents and/or the Contract, or otherwise.

2.2.3 The Contract to be executed by successful bidder as given in section II as part of the Bidding documents shall be deemed to be part of this tender.

### **2.3 Clarifications**

2.3.1 HCL shall endeavour to respond to the questions raised or clarifications sought by the bidders. However, HCL reserves the right not to respond to any question or provide any clarification, and nothing in this clause shall be taken or read as compelling or requiring HCL to respond to any question or to provide any clarification.

- 2.3.2 HCL may, if deemed necessary by HCL, issue interpretations and clarifications to all bidders. All clarifications and interpretations issued by HCL shall be deemed to be part of the bidding documents. Verbal clarifications and information given by HCL or its employees or representatives shall not in any way or manner be binding on HCL.
- 2.3.3 However, queries or requests for clarifications shall be accepted from bidders by HCL only upto 10 days prior to Bid submission due date.

#### **2.4 Amendment of Tender**

- 2.4.1 Before bid due date, HCL may, for any reason, whether at its own initiative or in response to clarifications requested by a bidder, modify the tender by the issuance of addendum.
- 2.4.2 Any addendum thus issued will be intimated to the bidders by uploading on HCL website only.
- 2.4.3 In order to afford the bidders a reasonable time for taking an addendum into account, or for any other reason, HCL may, extend the bid due date.

- 3.2.3 After selection, a Letter of Intent (the “**LoI**”) shall be issued, in duplicate, by HCL to the selected bidder and the selected bidder shall, within 7 (seven) days of the receipt of the LoI, sign and return the duplicate copy of the LoI in acknowledgement thereof. In the event the duplicate copy of the LoI duly signed by the selected bidder is not received within the stipulated time, HCL may, unless it consents to extension of time for submission thereof, appropriate/invoke the Bid Security of such bidder as damages on account of failure of the selected bidder to acknowledge the LoI. No correspondence will be entertained by HCL from the unsuccessful bidders.
- 3.2.4 After acknowledgement of the LoI as aforesaid by the selected bidder, it shall cause the selected bidder to execute the Contract within the period of ten (10) days. The Selected Bidder shall not be entitled to seek any deviation, modification or amendment in the Contract.
- 3.2.5 Upon “Letter of Intent” being signed and returned by the successful Bidder, HCL will discharge/return bid security to other unsuccessful bidders.
- 3.2.6 The selected bidder shall, for the due and proper performance and fulfillment of its obligations during the contract period of the Work, provide an irrevocable and unconditional bank guarantee from any scheduled commercial bank in India, in favour of HCL, for a sum equivalent to 5% of the total contract amount in the form set-forth in the Contract (the “**Performance Security Deposit**”). Performance Security Deposit in any other format is not acceptable. Payment shall not be released if PSD has not been deposited in totality. The Performance Security Deposit shall remain valid initially for a period of 12 months from the Appointed date and will be renewed subsequently as per Article 6 of NIT. The selected bidder shall further extend the validity of its Performance Security Deposit, if so required by HCL.

The said Performance Security Deposit shall be provided by the selected bidder within **30 (thirty) days** of the date of issue of LoI. In the event, the selected bidder fails to provide the said Performance Security within the time period stipulated herein, HCL may forfeit the Bid Security submitted by the selected bidder along with their bid.

In addition to the above, the Retention money shall be 5% (Five percent) of the Contract amount and to be recovered at the rate of 5% (five percent) from Running Bills, more so detailed under clause 6.1 of NIT.

#### **4. FRAUD AND CORRUPT PRACTICES**

4.1 The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process and subsequent to the issue of the LOI and during the subsistence of the Contract. Notwithstanding anything to the contrary contained herein, or in the LOI or the Contract, HCL shall reject a Bid, withdraw the LOI, or terminate the Contract, as the case may be, without being liable in any manner whatsoever to the Bidder or Selected Bidder, as the case may be, if it determines that the Bidder or Selected Bidder, as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process. In such an event, HCL shall forfeit and appropriate the Bid Security or Performance Security, as the case may be, as damages, without prejudice to any other right or remedy that may be available to HCL under the Bidding Documents and/or the Contract, or otherwise.

4.2 Without prejudice to the rights of HCL under clause 4.1 hereinabove and the rights and remedies which HCL may have under the LOI or the Contract, if a Bidder or Selected Bidder, as the case may be, is found by HCL to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, or after the issue of the LOI or the execution of the Contract, such Bidder or Selected Bidder shall not be eligible to participate in any tender or request for proposal issued by HCL during a period of 2 (two) years from the date such Bidder or Selected Bidder, as the case may be, is found by HCL to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practices, as the case may be.

4.3 For the purposes of this clause 4, the following terms shall have the meaning hereinafter respectively assigned to them:

- (a) "corrupt practice" means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of HCL who is or has been associated in any manner, directly or indirectly with the Bidding Process or the LOI or has dealt with matters concerning the Contract, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of HCL, shall be deemed to constitute influencing the actions of a person connected with

the Bidding Process); or (ii) engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOI or after the execution of the Contract, as the case may be, any person in respect of any matter relating to the Project or the LOI or the Contract, who at any time has been or is a legal, financial or technical adviser of HCL in relation to any matter concerning the Project;

## **5. PRE-BID CONFERENCE**

- 5.1 Pre-Bid conference of the Bidders shall be convened at a designated date, time and place. A maximum of three representatives of each Bidder shall be allowed to participate.
- 5.2 During the course of the pre-Bid conference, the Bidders will be free to seek clarifications and make suggestions for consideration of HCL. HCL shall endeavour to provide clarifications and such further information as it may, in its sole discretion, consider appropriate for facilitating a fair, transparent and competitive Bidding Process.
- 5.3 The Bidders are requested to submit any question/query by email to reach HCL as per 1.13 Schedule of Bidding Process. Bidders desirous of obtaining clarifications on clauses of the tender enquiry (Technical as well as Commercial) are requested to send their questions/queries for clarifications at least 5 days prior to date of pre-bid conference and also ensure their participation in the per bid conference. The purpose of the pre-bid conference will be to clarify the issues raised by the bidders. However, HCL shall not be obliged to respond any queries which it receives after above deadline. Any modifications of the tender document which may become necessary as a result of Pre-bid conference shall be made exclusively through the issue of Addendum/Corrigendum, if any, and will be uploaded on websites of [www.hindustancopper.com](http://www.hindustancopper.com) and it shall become part of the bidding documents. However, in case any query remains un-replied, it shall be construed that in respect of those queries, the respective stipulation of the tender document shall continue to apply and/or no new stipulations made w.r.t. those queries.
- 5.4 Non-attendance at the pre-bid conference will not be a cause for disqualification of a Bidder.

## **6.0 MISCELLANEOUS**

- 6.1 The Bidding Process shall be governed by and construed in accordance with the laws of India and the courts at Khetri, Rajasthan shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the Bidding Process.
- 6.2 HCL, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to;
- (a) suspend and/or cancel the Bidding Process and/or amend and/or supplement the Bidding Process or modify the dates or other terms and conditions relating thereto;
  - (b) consult with any Bidder in order to receive clarification or further information;
  - (c) retain any information and/ or evidence submitted to HCL by, on behalf of, and/ or in relation to any Bidder; and/ or
  - (d) independently verify, disqualify, reject and/ or accept any and all submissions or other information and/ or evidence submitted by or on behalf of any Bidder.

6.3 It shall be deemed that by submitting the Bid, the Bidder agrees and releases HCL, its employees, agents and advisers, irrevocably, unconditionally, fully and finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder, pursuant hereto and/ or in connection herewith and waives any and all rights and/ or claims it may have in this respect, whether actual or contingent, whether present or future.

Dear Sir,

With reference to your tender no. .... dated xx.xx.2019, I/We, having examined the Bidding Documents and understood their contents, hereby submit my/our Bid for the aforesaid Work in prescribed format. The Bid is unconditional and unqualified.

1. I/We acknowledge that HCL will be relying on the information provided in the Bid and the documents accompanying the Bid for selection of the Selected Bidder for the aforesaid Work, and we certify that all information provided therein is true and correct and nothing has been omitted which renders such information misleading and all documents accompanying the Bid are true copies of their respective originals.
2. This statement is made for the express purpose of qualifying as a Selected Bidder for the implementation of the aforesaid Work.
3. I/ We shall make available to HCL any additional information it may find necessary or require to supplement or authenticate the Bid.
4. I/ We acknowledge the right of HCL to reject our Bid without assigning any reason or otherwise and hereby waive, to the fullest extent permitted by applicable law, our right to challenge the same on any account whatsoever.
5. I/ We declare that:
  - (a) I/ We have examined and have no reservations to the Bidding Documents, including any addendum issued by HCL; and
  - (b) I/ We do not have any Conflict of Interest and
  - (c) I/We have not directly or indirectly or through an agent engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, in

respect of any tender or request for proposal issued by or any agreement entered into with HCL or any other public sector enterprise or any government, Central or State; and

- (d) I/ We hereby certify that we have taken steps to ensure that no person acting for us or on our behalf has engaged or will engage in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice.
  - (e) the undertakings given by me/us along with the offer in response to the Tender for the Work were true and correct as on the date of making the Tender and are also true and correct as on the Bid Due Date and I/we shall continue to abide by them.
6. I/ We understand that you may cancel/annul the Bidding Process at any time and that you are neither bound to accept any Bid that you may receive nor to invite the Bidders to Bid for the Work, without incurring any liability to the Bidders.
  7. I/ We certify that in regard to matters other than security and integrity of the country, have not been convicted or indicted by a court of law and no adverse orders have been passed by a regulatory authority which could cast a doubt on our ability to undertake the Work or which relates to a grave offence that outrages the moral sense of the community.
  8. I/ We further certify that in regard to matters relating to security and integrity of the country, we have not been charge-sheeted by any agency of the government or convicted by a court of law for any offence committed by us or by any of our Associates.
  9. I/ We further certify that no investigation by a regulatory authority is pending either against us or against our Associates or against our CEO or any of our Directors/ managers/ employees.
  10. I/ We undertake that in case due to any change in facts or circumstances during the Bidding Process the provisions of disqualification in terms of the guidelines referred to above are attracted, we shall intimate HCL of the same immediately.
  11. We further agree and acknowledge that the aforesaid obligations shall be in addition to the obligations contained in the Contract.
  12. I/We hereby irrevocably waive any right or remedy which we may have at any stage at law or howsoever otherwise arising to challenge or question any decision taken by HCL in connection with the selection of the Bidder, or in connection with the Bidding Process itself, in respect of the above mentioned Work and the terms and implementation thereof.
  13. In the event of my/our being declared as the Selected Bidder, I/We agree to enter into a Contract in accordance that has been provided to me/us prior to the Bid Due Date. We agree not to seek any changes in the aforesaid Contract and agree to abide by the same.
  14. I/We have studied all the Bidding Documents carefully and have also surveyed the Work site. We understand that except to the extent as expressly set forth in the tender and/or Contract, we shall have no claim, right or title arising out of any documents or information provided to us by HCL or in

respect of any matter arising out of or concerning or relating to the Bidding Process including the award of the Contract.

15. The Contract Price has been quoted by me/us after taking into consideration all the terms and conditions stated in the tender, Contract, our own estimates of costs and after a careful assessment of the site and all the conditions that may affect the work cost and implementation of the Work.
16. I/We offer a bid security of Rs 50.0 Lakh only to HCL in accordance with the tender.
17. The Bid security in the form of a Demand Draft/Pay Order/Banker's Cheque/Bank Guarantee (strike out whichever is not applicable) is attached.
18. In the event of I/We being declared as Selected Bidder, I/We hereby undertake and agree to provide an irrevocable and unconditional bank guarantee as Performance Security Deposit in favour of HCL within 30 (thirty) days of the issue of LoI as per the tender.
19. I/ We agree and understand that the Bid is subject to the provisions of the Bidding Documents. In no case, I/we shall have any claim or right of whatsoever nature if the Work is not awarded to me/us or our Bid is not opened or rejected.
20. I/We agree to keep this offer valid for 180 (one hundred and eighty) days from the Bid Due Date specified in the tender and the validity may be extended by another 30 (thirty) days, if required by HCL.
21. I/ We hereby submit our Bid for undertaking the aforesaid work in accordance with the Bidding Documents and the Contract. The prices of each item aggregating to the Contract Price are quoted by me/us as provided in the schedule annexed hereto. The said Contract Price shall be payable over the construction period and as set out in Contract. The RA bills can be payable only after receipt of security deposit.
22. I/We hereby confirm that no change has been made in any of the formats attached with tender.
23. I/We agree and undertake to abide by all the terms and conditions of the tender and confirm that there is no deviation in the terms and conditions.

In witness whereof, I/we submit this Bid under and in accordance with the terms of the tender.

Yours faithfully,

## APPENDIX – III

### Bank Guarantee for Bid Security

(To be placed in Part I of the Bid)

In consideration of you, Hindustan Copper Limited, having its office at 1, Ashutosh Chowdhury Avenue, Kolkata – 700019 (hereinafter referred to as “HCL”, which expression shall unless it be repugnant to the subject or context thereof include its, successors and assigns) having agreed to receive the Bid of \_\_\_\_\_ a Company registered under the provision of the Companies Act, 2013 and having its registered office at \_\_\_\_\_ (hereinafter referred to as the “Bidder” which expression shall unless it be repugnant to the subject or context thereof include its/their executors, administrators, successors and assigns), for \_\_\_\_\_, (name of the work)..... in accordance with the tender (hereinafter referred to as “the Work”) pursuant to the tender dated \_\_\_\_\_ issued in respect of the Work and other related documents (hereinafter collectively referred to as “Bidding Documents”), we, \_\_\_\_\_ (indicate the name of the bank), (hereinafter referred to as the “Bank”) at the request of \_\_\_\_\_ (Bidder), do hereby undertake to pay HCL an amount not exceeding Rs. **50.0 Lakh (Rupees Fifty Lakh only)** against any loss or damage caused to or suffered or would be caused to or suffered by HCL by reason of any breach by the said Bidder of any of the terms or conditions contained in the Bidding Documents.

1. We \_\_\_\_\_ (indicate the name of the bank) do hereby undertake to pay the amount due and payable under this guarantee without any demur, merely on a demand from HCL stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by HCL by reason of breach by the said Bidder of any of the terms or conditions contained in the Bidding Documents or by reason of the Bidder’s failure to fulfill or comply with all or any of the terms and conditions contained in the said Bidding Documents. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs **50.0 Lakh (Rupees Fifty Lakh only)**. The Bank shall be liable to pay the said amount or any part thereof only if HCL serves a written claim on the Bank, on or before \_\_\_\_\_ (indicate date falling 180 days after the Bid Due Date).
2. We, the Bank, further agree that HCL shall be the sole judge to decide as to whether the Bidder is in default of due and faithful fulfillment and compliance with the terms and conditions contained in the Bidding Documents including, inter alia, the failure of the Bidder to keep its Bid open during the Bid validity period set forth in the said Bidding Documents, and the decision of HCL that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between HCL and the Bidder or any dispute pending before any court, tribunal, arbitrator or any other authority. Further, we undertake to pay to HCL any money so demanded notwithstanding any dispute or disputes raised by the Bidder(s) in any suit or proceeding pending before any court or tribunal/relating thereto, our liability under this present being absolute and unequivocal.

The payment so made by us under this guarantee shall be a valid discharge of our liability for payment hereunder and the Bidder shall have no claim against us on making such payment.

3. We, \_\_\_\_\_ (indicate the name of the bank) further agree that the guarantee herein contained shall be irrevocable and remain in full force and effect for a period of 180 (One Hundred and Eighty) days from the Bid Due Date inclusive of a claim period of 60 (Sixty) days or as extended for a maximum period of another 30 (Thirty) days as required by HCL and shall continue to be enforceable till all the dues of HCL under or by virtue of the said Bidding Documents have been fully paid and its claims satisfied or discharged or the \_\_\_\_\_ (office/Department) certifies that the terms and conditions of the said Bidding Documents have been fully and properly carried out by the said Bidder and accordingly discharges this guarantee. Unless a demand or claim under this guarantee is made on us in writing on or before the \_\_\_\_\_ we shall be discharged from all liability under this guarantee thereafter.
4. We, \_\_\_\_\_ further agree with HCL that HCL shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms & conditions of the said Bidding Documents or to extend the validity period of this guarantee or to postpone for any time or from time to time any of the powers exercisable by HCL against the said Bidder and to forebear or enforce any of the terms and conditions relating to the said Bidding Documents and we shall not be relieved from our liability by reason of any such variation or extension being granted to the said Bidder or for any forbearance, act or commission on the part of HCL or any indulgence by HCL to the said Bidder or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving us.
5. This guarantee will not be discharged due to the change in the constitution or winding up of the Bidder or the Bank or any absorption, merger or amalgamation of the Bidder or the Bank with any other person.
6. It shall not be necessary for HCL to proceed against the said Bidder before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank, notwithstanding any other security which HCL may have obtained from the said Bidder or any other person and which shall, at the time when proceedings are taken against the Bank hereunder, be outstanding or unrealized.
7. We, \_\_\_\_\_ (indicate the name of the Bank) lastly undertake not to revoke this guarantee during its currency except with the previous consent of HCL in writing.

## **APPENDIX – V**

### **(To be placed in Part I of the Bid)**

#### **INTEGRITY PACT**

The Integrity Pact (“**Pact**”) essentially envisages an agreement between the Bidder and the owner (“**HCL**”), committing the persons/officials of both the parties, not to exercise any corrupt influence on any aspect of the Contract. Only those Bidders who have entered into such a Pact with the HCL would be qualified to submit their bids. In other words, entering into this Pact would be a preliminary qualification. The Pact shall be effective from the stage of invitation of Bids till the execution of the Contract. Thereafter, the Selected Bidder shall be required to execute a separate Integrity Pact, which shall form part of, and be appended to the Contract.

The Pact envisages a panel of Independent External Monitors (“**IEM**”) approved for HCL. The IEM is to review independently and objectively, whether and to what extent the parties have complied with their obligations under the Pact. It has right of access to all Work documentation. The IEM may examine any complaint received by it and submit a report to the CMD of HCL, at the earliest. He may also submit a report directly to the Chief Vigilance Officer and the Central Vigilance Commission, in case of suspicion of serious irregularities attracting the provisions of the Prevention of Corruption Act. However, even though the Contract may be covered by the Pact, the Central Vigilance Commission may, at its discretion, have any complaint received by it relating to such a Contract, investigated.

The IEM on the advice of CVC has been appointed by HCL, who has been assigned by HCL to oversee implementation of the Pact relating to the Contract, in line with the terms and conditions of the Integrity Pact Agreement, to be signed between the Bidder and HCL.

**APPENDIX - VA**

**INTEGRITY PACT AGREEMENT**

Between

Hindustan Copper Limited (HCL) hereinafter referred to as “the Principal”

and

.....hereinafter referred to as “The Bidder”

**Preamble**

The Principal intends to award, under laid down organizational procedures, Contract/s of “[insert name of the work]”. The Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relations with its Bidder(s).

In order to achieve these goals, the Principal has appointed Sri M.K.Deshmukh and Sri Narendra Kothari an Independent External Monitors (IEMs), who will monitor the tender Process and the execution of the Contract for compliance with the principles mentioned above.

**Section I – Commitments of the Principal**

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-
  - a. No employee of the Principal, personally or through family members, will in connection with the bidding , or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
  - b. The Principal will, during the Bidding Process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the Bidding Process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the Bidding Process or the Contract execution.
  - c. The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal Code / Prevention of Corruption Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

**Section 2 – Commitments of the Bidder(s)**

- (1) The Bidder(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Bidding Process and during the Contract execution.

The Bidder(s) will not, directly or through any other person or company, offer, promise or give to any of the Principal’s employees involved in the Bidding Process or the execution of the Contract

- a. or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Bidding Process or during the execution of the Contract.
  - b. The Bidder(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of Bids or any other actions to restrict competitiveness or to introduce cartelization in the Bidding Process.
  - c. The Bidder(s) will not commit any offence under the Indian Penal Code / Prevention of Corruption Act; further the Bidder(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
  - d. The Bidder(s) will, when presenting his Bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- (2) The Bidder(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

### **Section 3 – Disqualification from Bidding Process and exclusion from future contracts**

If the Bidder(s), before award or during execution has committed a transgression through a violation of Section 2, above or in any other form such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s) from the Bidding Process or take action as per the procedure mentioned in the “Guidelines on Banning of Business Dealings”.

### **Section 4 – Compensation for damages**

- a. If the Principal has disqualified the Bidder(s) from the Bidding Process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Bid Security.
- b. If the Principal has terminated the Contract according to Section 3, or if the Principal is entitled to terminate the Contract according to Section 3, the Principal shall be entitled to demand and recover from the Bidder, liquidated damages/penalties of the Contract value or the amount equivalent to Performance Security.

### **Section 5 – Previous transgression**

- a. The Bidder declares that no previous transgressions occurred in the last 3 (three) years with any other company in any country conforming to the anti corruption approach or with any other public sector enterprise in India that could justify his exclusion from the Bidding Process.
- b. If the Bidder makes incorrect statement on this subject, he can be disqualified from the Bidding Process or action can be taken against them as per the procedure mentioned in “Guidelines on Banning of Business Dealings”.

## **Section 6 - Equal treatment of all Bidders**

- a. The Bidder(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact Agreement, and to submit it to the Principal before execution of the Contract.
- b. The Principal will enter into agreements with identical conditions as this one with all Bidders,
- c. The Principal will disqualify from the Bidding Process all Bidders who do not sign this Integrity Pact Agreement or violate its provisions.

## **Section 7 – Criminal charges against violating Bidder(s)**

If the Principal obtains knowledge of conduct of a Bidder or of an employee or a representative or an Associate of a Bidder which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer of the same.

## **Section 8 - Independent External Monitor/Monitors**

- a. The Principal has appointed competent and credible Independent External Monitor (“IEM”) for this Integrity Pact Agreement. The task of the IEM is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
- b. The IEM is not subject to instructions by the parties/ their representatives and performs its functions neutrally and independently. It reports to the Chairman- cum-Managing Director of HCL.
- c. The Bidder(s) accepts that the IEM has the right of access without restriction to all Work documentation of the Principal .The Bidder will also grant the IEM, upon its request and demonstration of a valid interest, unrestricted and unconditional access to his Work documentation. The same is applicable to Subcontractors. The IEM is under a contractual obligation to treat the information and documents of the Bidder(s) with confidentiality.
- d. The Principal will provide to the IEM sufficient information about all meetings among the parties related to the Work provided that such meetings could have an impact on the contractual relations between the Principal and the Bidders. The parties offer to the IEM the option to participate in such meetings.
- e. As soon as the IEM notices, or believes, that there is a violation of this Integrity Pact Agreement, it will so inform the management of the Principal and request the management to discontinue or take corrective action, or to take other relevant action. The IEM can, in this regard, submit non-binding recommendations. Beyond this, the IEM has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
- f. The IEM will submit a written report to the Chairman-cum-Managing Director of HCL within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.
- g. The IEM shall be entitled to compensation on the same terms as being extended to/provided to Independent Directors of HCL.
- h. If the IEM has reported to the Chairman-cum-Managing Director of HCL, a substantiated suspicion of an offence under relevant Indian Penal Code/PC Act, and the Chairman-cum-Managing Director of

HCL has not, within reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the IEM may also transmit this information directly to the Central Vigilance Commissioner.

**Section 9 - Pact Duration**

This Integrity Pact Agreement begins when both parties have legally signed it. It expires for the Selected Bidder 12 (twelve) months after the last payment under the Contract, and for all other Bidders 6 (six) months after the Contract has been awarded.

If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this Integrity Pact Agreement as specified above, unless it is discharged/determined by Chairman-cum-Managing Director of HCL.

**Section 10 - Other provisions**

- a. This agreement is subject to Indian laws. Place of performance and jurisdiction is the registered office of the Principal, i.e. Kolkata.
- b. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
- c. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement as to their original intentions.

- c) Compliance with the instructions of the Engineer-in-Charge/HCL or the directions of any Government Agency other than instructions issued as a consequence of a breach by the Contractor of any of its obligations hereunder;
- d) Emergency decommissioning of the Work or part thereof;
- e) Contractor's inability to remove any accident debris due to non-completion of any police / insurance related inquiry/survey despite prompt steps having been taken by the Contractor in that regard.

#### **6.11 Related Works**

##### **6.11.1 Contractor's acknowledgement**

The Contractor acknowledges that Related Works may be performed and that it is of paramount importance that the design and execution of the Works are fully and completely coordinated with the Related Works in view of their concurrent and sequential nature and that such coordination is of the utmost importance to the successful integration of the Works with the Related Works and to the timely completion of the Work.

##### **6.11.2 Related Works' responsibilities**

Accordingly, the Contractor shall at its own cost and expense, at all times and otherwise in accordance with the requirements and directions of HCL's Representative:

- a) Plan, programme, and perform the design and execution of the Works so as to minimize any interference with or hindrance of the performance of the Related Works; and

- b) At all times take every necessary step to protect the Works from accidental damage caused by the Related Works; and
- c) At all times co-operate with the Employer, HCL's Representative and any Related Works contractors so as to promote and foster a coordinated and integrated approach to the Works and the Related Works. The Contractor shall co-ordinate its activities with Related Works contractors so as to prevent, as far as possible, the performance of work by such Related Works contractors from impeding the performance of the Contractor or unreasonably disturbing the free movement of traffic around, on or in the vicinity of the Work Site; and
- d) Comply with all obligations as to interfacing the Works with the Related Works as are detailed in HCL's Requirements; and
- e) Advise the Employer if any plans, designs, specifications and drawings of the Related Works contractors supplied by the Employer are in any way incompatible or inconsistent with or otherwise detrimental to the Works. In the case of such incompatibility or inconsistency the Contractor shall supply the Employer with full details of the same and make appropriate recommendations as to how the incompatibility or inconsistency may be remedied; and
- f) Monitor the coordination and integration of the Works with the Related Works and advise the Employer's Representative in writing as and when it becomes apparent that execution of the Works is likely to be the subject of delay and/or disruption and recommend reasonable proposals to reduce or prevent such delay and/or disruption.

### **6.11.3 Co-ordination meetings**

HCL's Representative shall convene regular co-ordination meetings with the Contractor and Related Works contractors in order to:

- (a) Resolve conflicts in the order and sequence of the Works and Related Works in order to effect reasonable co-ordination and integration of the execution of the Works with the execution of the Related Works; and

### **6.11.4 Failure to co-ordinate**

In the event that the design and execution of the Work and the design and execution of the Related Works are not being coordinated and integrated to the reasonable satisfaction of the Employer's Representative, the Employer's Representative may issue such instructions as is necessary including, but not limited to:

- (a) suspending the progress of the design (to the extent required by the Contract) or execution of the Works or any part thereof; and/or
- (b) changing the Works including the omission of work from the Contract and its execution by others at the risk and cost of the contractor.

For the avoidance of doubt, where the Employer's Representative acting reasonably, determines that an instruction under the relevant clause of the contract is required as a result of a breach by the Contractor of its obligations. The Contractor shall not be entitled to any payment whatsoever in respect of any such instruction or to any extension of time in respect thereof and the costs to the Employer of such instruction including the cost of any such suspension, or removal and execution by others shall, without prejudice to the Employer's other rights under the Contract, be deducted from the Contract Price.

#### **6.11.5 The Employer's Representative's assistance**

In the event that the design and execution of the Works and the design (if any) and execution of any Related Works are unable to be coordinated and integrated in accordance with this Article 6.11 as a result of circumstances beyond the control of the Contractor, the Contractor may request the Employer's Representative:

- (a) to issue within ten (10) days of the Contractor's request, such instructions as the Employer's Representative may consider necessary to enable the Contractor to comply with its obligations under this Article 6.11; and/or
- (b) to use its reasonable endeavour to assist in procuring the removal of the hindrance or impedance preventing the Contractor from complying with its obligations under this Article 6.11.

#### **6.11.6 Contractor to bear costs**

The Contractor shall bear all costs and expenses associated with any change or remedied work rendered necessary to the design or execution of the Works or to the design or execution of work of any Related Works contractor as a result of any failure on the Contractor's part to comply with the provisions of this Article 6.11. Subject always to this Article 6.11 if in the opinion of HCL's Representative any cost is or is likely to be incurred partially as a result of a failure by the Contractor and partially as a result of a failure by a Related Works Contractor, then in the event that the Contractor and the Related Works Contractor are unable to agree on the apportionment of such costs between them, HCL's Representative may instruct the Contractor to make a change or carry out any repair it deems necessary and, notwithstanding the provisions of Article 8 in valuing such change or repair, it shall be entitled to make what it in its absolute discretion the assessment of such costs allocable to the Contractor for such change or repair as a result of the Contractor's failure to comply with the requirements of this Article 6.11.

#### **6.11.7 Contractor's obligations**

Without limiting its obligations under this Article 6.11 the Contractor shall exercise due care and diligence in the design and execution of the Works where such design and execution of the Works affects or is likely to affect the Related Works and shall bear all costs, expenses, damages and losses suffered by any Related Works Contractor as a result of its failure to comply with such obligations.

### **6.11.8 Contractor's Indemnities**

The Contractor shall indemnify and keep indemnified the Employer against all claims, proceedings, damages, costs, losses, charges and expenses of any nature whatsoever arising from the Contractor's failure to comply with its obligations under this Article 6.11.

### **6.11.9 Temporary Works**

The Contractor shall be fully responsible for the cost of all delays to the Works or any part where such delays have been occasioned to or in connection with Temporary Works by the defaults or omissions of any Related Works Contractor and it shall not be entitled to any extension of time or additional payment in respect thereof. Such responsibility shall in no way be in derogation of the Contractor's other obligations under this Article 6.11.

### **6.12 Contractor's Documents**

**6.12.1** The Contractor shall prepare all Contractors' Documents. The Contractor shall submit to HCL's Representative and the Engineer-in-Charge

- a) within such time as may be directed by HCL's Representative, those Contractor's Documents called for in the Contract or as HCL's Representative may require and in the numbers and format required by the Contract or, if no such number and format is stated in the Contract, as required by HCL's Representative; and
- b) during the progress of the Works such additional Contractor's Documents within such times and in such numbers and format as HCL's Representative may reasonably require.

**6.12.2** HCL's Representative shall review and comment on any Contractor's Documents submitted in accordance with Article 6.12.1 within 21 (twenty-one) Business Days after receipt of the Contractor's Document ("the **Review Period**"). HCL's Representative shall signify "no comment" or "comments made" or "resubmit" and return one copy of the Contractor's Document to the Contractor. If the Employer's Representative fails to so do within the Review Period, it shall be deemed that the Employer's Representative has signified "no comment".

**6.12.3** The notes "no comment" or "comments made" will enable the Contractor to proceed on the basis of the Contractor's Documents provided that the Contractor fully addresses any comments made by the Employer Representative.

**6.12.4** If, before reviewing and commenting on any design contained in any Contractor's Documents, the Engineer-in-Charge considers any change or modification is necessary to such Contractor's Documents, HCL's Representative may notify the Contractor accordingly whereupon the Contractor shall effect the same and re-submit the Contractor's Documents in accordance with this Article 6.12

- 6.12.5** Where any Contractor's Document is marked "resubmit" the same shall be amended, modified or prepared again, as the case may be, and resubmitted by the Contractor and the procedure set out in this Article 6.12 shall apply to the re-submitted Contractor's Document.
- 6.12.6** Notwithstanding any of the provisions of the Contract relating to the Contractor's Documents, the Contractor shall be fully responsible for:
- a) The adequacy of the Contractor's Documents in accordance with the Contract; and
  - b) any failures of any Contractor's Documents whether to comply with the Contract and/or to meet its obligations there under or otherwise and for any ambiguities, failures, discrepancies, insufficiencies, lack of fitness for purpose, errors, omissions, design or construction impracticalities in any such Contractor's Documents howsoever such ambiguities, failures, discrepancies, insufficiencies, lack of fitness for purpose, errors, omissions, design or construction impracticalities may have arisen.
- 6.12.7** The Contractor shall at its own expense carry out any alterations or remedial work necessitated by reason of any ambiguities, failures, discrepancies, insufficiencies, lack of fitness for purpose, errors, omissions, design or construction impracticalities in any Contractor's Documents and shall modify the Contractor's Documents accordingly, or if the same be done by or on behalf of the Employer, the Employer shall be entitled to recover from the Contractor all costs reasonably incurred therein and may, without prejudice to any method of recovery, deduct the same from any monies due or which may become due to the Contractor.
- 6.12.8** The Contractor is aware of the time required by HCL's Representative for the review of the Contractor's Documents and shall allow adequate time for such review. Furthermore, HCL's Representative shall not be obliged to comment upon any Contractor's Documents without first satisfying himself that to the extent required, such comment is issued with the consent, non-objection or approval of the Engineer-in-Charge or a Government Agency.
- 6.12.9** No design or execution of any part of the Works shall commence during the Review Period for those Contractor's Documents which are relevant to its design and execution except as may be expressly agreed in writing by HCL's Representative.
- 6.12.10** If the Contractor wishes to modify any Contractor's Document (including any design contained in Contractor's Documents) which has previously been reviewed by HCL's Representative, the Contractor shall immediately give notice to the Employer's Representative. Thereafter, the Contractor shall submit revised documents to HCL's Representative and the provisions of this Article 6.12 shall apply.
- 6.12.11** Save as expressly provided in this Contract, the Contractor shall not seek to recover from the Employer any loss or claim which may arise from the adoption, use or application by or on behalf of the Contractor or any other Person for whom the Contractor is responsible of the design in any Contractor's Documents.

**6.12.12** No review, comment, suggestion, approval on any other communication by HCL's Representative made in accordance with the review procedure specified in this Article 6.12 shall relieve the Contractor of any of its obligations under the Contract.

## **ARTICLE - 7**

### **HCL's OBLIGATIONS**

In addition to and not in derogation or substitution of any of its other obligations under this Contract, HCL shall have the following obligations:

#### **7.1 Specific obligations**

HCL shall:

- a) Appoint/nominate the Engineer-in-Charge in accordance with Article 5.1 above.
- b) Instruct Engineer-in-Charge for carrying out all the obligations and exercise all the rights set out in **Schedule I**.
- c) Ensure that Engineer-in-Charge reviews and finalizes the Plan, Drawings and other documents within a reasonable time and in any case within the respective time specified elsewhere in this Contract.

#### **7.2 General obligations**

HCL shall:

- a) grant or where appropriate provide necessary assistance to the Contractor in securing all Applicable Permits;
- b) ensure peaceful use of the Work Site by the Contractor under and in accordance with the provisions of this Contract without any hindrance from HCL or any Governmental Agency or persons claiming through or under it/them;
- c) pay Dead Rent / Royalty, payment to District Mineral Fund (DMF), National Mineral Exploration Trust (NMET) and surface rent;
- d) Observe and comply with all its obligations set forth in this Contract.

**ARTICLE - 8**  
**CONTRACT PRICE**

**8.1 Contract Price**

The Contract Price is inclusive of Basic Price, all taxes & duties, levies, freight, insurance etc. but excluding Goods and Services Tax (GST), subject to the provisions of this Contract and in consideration of undertaking to perform and discharge its obligations in accordance with the terms, conditions and covenants set forth in this Contract, HCL agrees and undertakes to make to the Contractor, the following payments (“**Contract Price**”) as per the provisions of this Article:

**a) Payment for work done:**

Payment for actual work done shall be for Scheduled Item and shall be at the rate against the item set out under **Schedule V** hereafter achieved and certified by Engineer-in-Charge during any Contract Payment Period.

The rates for payment set out in **Schedule V** shall be based on the mechanism set out under **Schedule VI** hereafter.

b) The Contractor shall open a dedicated bank account for the works of the project and all payment to the Contractor shall be released to the dedicated account only.

**8.2 Payment Mechanism**

**8.2.1 The contract price relating to each month shall be payable for actual work done by the contractor for the month through e-payment only as per format given in Schedule VIII (“contract payment period”). Contractor shall submit the bill for the actual work done during a contract payment period to the engineer-in-charge on contract payment due date.**

The bill shall be based on the Joint Measurement Certificate. Joint measurements of work completed during a month and cumulative shall be made on last day of each month and the results of such joint measurements should be recorded and jointly signed in a bound book. Engineer-in-Charge shall certify the quantities and arrange for the payment of Contractor’s bill after allowing adjustments for the supplies rendered HCL and for other deductions.

**Payment of the work done shall be made with a credit period of 30 days** from the acceptance of the bill by the Engineer In Charge (EIC), after deduction of LD, if any. EIC to accept the Bills within 7 days of receipt of the completed Bills from the contractor, for the month of completion of the job. However, no claim shall be entertained for any delay in payment. The R.A. bills should be submitted to the Engineer-in-Charge within three weeks of completion of work.

The payment for each month’s actual work done shall be made after recovery of statutory deductions if any.

The Contractor will submit proof of depositing of provident fund of the previous month with the bills.

**8.2.2 Joint measurement: Successful Bidder shall submit the bill for the work done during the previous months in accordance with the joint measurement to the Engineer-in-charge in the first week of every month. The results of such joint measurements should be recorded and jointly signed in a bound book. Engineer-in-charge shall certify the quantities and arrange for the payment of Successful Bidder's bill after allowing adjustments for the supplies and services rendered by the company and for other deductions.**

**8.2.3** The representative of the Engineer-in-charge and the contractor's authorized agent shall jointly record the production tonnage as measured by weighing system and Idle hours applicable if any, on shift basis and the same shall be got recorded in the log book maintained by the Contractor & duly certified by the Engineer-in-charge or his authorized representative.

In case of breakdown of weighing Machine and equipment set are being operated for production, then operating hours of sets will be recorded jointly by representative of EIC and contractor. Party will get equivalent of tonnage handling at the rate of average tonnage handled where previous 3 months as metric tonne/Hr. This methodology will not continue beyond 15 days at a stretch.

All measurements shall be in metric system. All the work in progress will be measured by the representative of the Engineer-in-charge and the Successful Bidder's authorized agent progressively. For the purpose of taking joint measurement the Successful Bidder's representative shall be bound to be present whenever required by the Engineer-in-charge. If, however, he absents for any reason whatsoever the measurements will be taken by Engineer-in-charge or his representative and this will be deemed to be correct and binding on the Successful Bidder.

For Ore Production the printed readings of the weigh bridge shall be final for the measurement of Ore Production.

Ore production quantity to be paid in terms of Rs./ metric tonne shall be exclusive of ore generated during development operation.

**8.3 Withholding of payments to Contractor and HCL's lien on money due to the Contractor**

Payments may at any time be withheld or reduced if, in the opinion of HCL, the Contractor is not diligently and efficiently endeavoring to comply with the terms of the Contract or if the Contractor should fail to pay wages to his labour or for material.

HCL shall have a lien on all amount that may become due and payable to the Contractor under this Contract or transaction of any nature whatsoever between HCL and the Contractor and the Performance Security furnished by the Contractor under the Contract or any sum that may become due and payable to the Contractor till the Contractor pays and clears the claim immediately on demand.

#### **8.4 Final Payment and Release**

On Completion the Engineer-in-Charge will issue a Completion Certificate to the Contractor on the application of the Contractor after satisfying himself (Engineer in charge) that the work has been completed in accordance with the contract documents and verifying from the following completion documents:

- (a) All surplus materials, rubbish, equipment etc are cleaned off the site completely.
- (b) The work has been measured,
- (c) All temporary works, labour and staff colonies/camp constructed are removed.
- (d) Performance Security, if any remaining after set-off by HCL of any amounts owed by the Contractor to HCL, and which amounts not having been paid by the Contractor to HCL,

Material appropriation statement for the material, if issued by HCL for the Work and list of surplus material returned to HCL's stores duly supported by necessary documents. If the contractor fail to comply with the requirements of this clause on or before the date fixed for the completion of the work, the Engineer-in-Charge may at the expenses of the contractor remove such surplus materials and rubbish and dispose off the same as he thinks fit. The contractor shall forthwith pay the amount of all expenses so incurred and shall have no claim in respect of any such surplus materials as aforesaid except for any sum actually realized by the sale thereof.

The Contractor, after obtaining the completion certificate, is eligible to present the final bill for the work executed by him under the terms of contract.

After the issue of Completion Certificate by the Engineer-in-Charge as aforesaid and on the particulars contained therein and after getting the final bill for the work executed by the contractor, HCL shall determine the total value of the Work done by the Contractor and after adjusting all sums paid to him already or due to HCL, and such further sums as HCL may require to reserve or retain under the terms of the Contract, release eighty percent (80%) of the final payment due to the Contractor subject to undertaking given by the contractor. The remaining twenty percent (20%) of the outstanding final payment shall be paid by the HCL within seven (7) days after the expiry of the Period of Liability, provided that no set-offs are required to be made by HCL, during the Period of Liability, for remedying any work done by the Contractor under the Contract. Such final payment shall be made only when the Contractor furnishes to HCL an undertaking to the effect that Contractor has no further claim of whatever nature or description against HCL.

The Contractor should file no claim after final payment and HCL will not be liable to pay any money to the Contractor except as specifically provided for in the Contract. Acceptance by the Contractor of the final payment as aforesaid shall release HCL from all acts of omission and commission by HCL or by the Engineer-in-Charge.

**Completion certificate:** When the Successful Bidder fulfills his obligation to apply for completion certificate in respect of the work by submitting the completion documents along with such application for completion certificate. The Engineer-in-charge shall normally issue to the Successful Bidder the completion certificate within one month i.e. 30 days after receiving an application therefore from the Successful Bidder after verifying from the completion documents and satisfying himself that the work has been completed in accordance with the contract documents. No completion certificate shall be given nor shall the work be deemed to have been executed neither until all surplus materials and rubbish are cleaned off the site completely nor until the work shall have been measured. The work shall not be considered as complete and taken over by HCL, until all the temporary works are removed and work site cleaned to the satisfaction of the Engineer-in-charge. If the Successful Bidder fail to comply the requirements of this clause on or before the date fixed for the completion of the work, the Engineer-in-charge may at the expense of the Successful Bidder remove such surplus materials and rubbish and dispose off the same as he thinks fit. The Successful Bidder shall forthwith pay the amount of all expenses so incurred and shall have no claim in respect of any such surplus materials as aforesaid except for any sum actually realised by the sale thereof. The Successful Bidder, after obtaining the completion certificate, is eligible to present the final bill for the work executed by him under the terms of contract.

**Completion documents:** For this purpose, the following documents shall be deemed to form the completion documents:

- The technical documents according to which the work is carried out.
- Certificate of final levels as sent out for the work.

**Final decision and final certificate:** Upon completion of the work as detailed in the scope of work and subject to the satisfaction of the Engineer-in-charge, in general and in accordance with the provisions of the contract, and in particular about satisfactory performance of the work and fulfilling all the obligations under the contract, the Engineer-in-charge shall (without prejudice to the right of HCL to retain the provisions of the relevant clause hereof) otherwise give a certificate herein referred to as final certificate to that effect and the Successful Bidder shall not be considered to have fulfilled the whole of his obligation under the contract until final certificate shall have been given by the Engineer-in-charge notwithstanding any previous entry upon the work and taking possession, working or using of the same or any part thereof by HCL.

**Certificate and payments no evidence of completion:** Except the final certificate no other certificate or payment against a certificate or on general account shall be taken to be an admission by HCL of the due performance of the contract or any part thereof or of occupancy or validity of any claim by the Successful Bidder.

## 8.5 Variation in Schedule Items

The Itemized quantities indicated in **Schedule V** are indicative and at this stage it is envisaged that variation may be within plus 5% of the Contract value and the duration of the contract may be extended based on the variation on pro rata basis target during the period of the contract.

## 8.6 LIQUIDATED DAMAGE (LD)

- a) The Successful Bidder shall provide equipment, operate and maintain in such a way that each set of LHD & LPDT produces @ 325 metric tonne /shift/set. Considering three sets in operation in each shift along with two shifts maintenance of each set in a fortnight, the production target of two sets shall be 55,000 metric tonne per month. Production is the essence of the contract.

Time is the essence of the Contract. If the Successful Bidder is not able to achieve at least 90% of target quantity, they shall be liable to pay liquidated damages on Quarterly basis.

- b) Liquidated Damage will be levied on the Contractor, and calculated in the following manner:

For target of Ore Production, shortfall will be calculated on the quarterly basis.

Any shortfall in achievement of quarterly targeted quantity will be communicated by Engineer-in-charge to the Successful Bidder. Failure to achieve the metric tonne target for any performance review period by the Successful Bidder shall make him liable to pay a Liquidated Damages from their running bills at the following rates:

Shortfall in Quarterly target (in percentage)	Shortfall in Quarterly target (in metric tonne)	Rate of Liquidated Damage
Below 90% & upto 85% of the Revised Target	Below 1,48,500 metric tonne up to 1,40,250 metric tonne	10% of the value of the shortfall in quarterly target
Below 85% & upto 80% of the Revised Target	Below 1,40,250 metric tonne & up to 1,32,000 metric tonne	12% of the value of the shortfall in quarterly target
Below 80% & upto 75% of the Revised Target	Below 1,32,000 metric tonne & up to 1,23,750 metric tonne	14% of the value of the shortfall in quarterly target
Below 75% & upto 70% of the Revised Target	Below 1,23,750 metric tonne & up to 1,15,500 metric tonne	16% of the value of the shortfall in quarterly target
Below 70% & upto 65% of the Revised Target	Below 1,15,500 metric tonne & upto 1,07,250 metric tonne	18% of the value of the shortfall in quarterly target
Below 65% & upto 55% of the Revised Target	Below 1,07,250 metric tonne & upto 90,750 metric tonne	20% of the value of the shortfall in quarterly target

Below 55% & upto 45% of the Revised Target	Below 90,750 metric tonne & upto 74,250 metric tonne	25% of the value of the shortfall in quarterly target
Below 45% & upto 35% of the Revised Target	Below 74,250 metric tonne & upto 57,750 metric tonne	37.5% of the value of the shortfall in quarterly target
Below 35% of the Revised Target	Below 57,750 metric tonne	50% of the value of the shortfall in quarterly target

HCL shall reconcile measurement of work done and delay / idle hours if any on account of HCL in line as laid down in the clause (6.2) under Section – VI of the Contract and any loss of time on part of delay/idle hour on account of HCL during the Contract in accordance to Clause 6.2 of Section – VI if causing the contractor to non perform to achieve to target production will not attract payment of liquidated damage on the equivalent loss of tonnage due to HCL’s reason.

The loss of tonnage vis-à-vis revise target of production in a month will be calculated as below:

- Rated Tonnage per Hour in a month = 55,000 metric tonne / (TNSS\*6 Hrs-NMSS\*6Hrs.)
- TNSS= Total Nos of Set Shits in the month for 2 no. equipment set.
- NMSS= Nos of Maintenance Set Shits in the month for 2 nos. of equipment set.
- Loss of tonnage of production in the month on account of HCL’s reason= Rated Tonnage per hr X total hrs lost due to HCL’s reason in the month in line as laid down in the clause (2) under section – Vi of the contract.
- Revised target in the month = Scheduled Target in a month (-) loss of tonnage of production in the month on account of HCL’s reason in the month.
- Revised target in the quarter= Scheduled Target in the Quarter (-) loss of tonnage of production in the month on account of HCL’s reason in the quarter.

The payments of penalties and/or Liquidated Damages by the Successful Bidder under various Clauses of this section shall be to the exclusion of any other rights or remedies of HCL with regard to delay and/or non-performance under the contract.

Also, HCL shall reconcile measurement of work done at the end of each financial year, and excess amount of LD, if found deducted from the bills of the successful bidder on quarterly basis during the financial year, shall be refunded to the successful bidder on achievement of 100% of the annual target.

The time duration for hiring of diesel equipment (supply, operation and maintenance) shall be for a period of Five (5) years from the issue of LOI/Work Order, whichever is earlier, excluding 03 (Three) months (90 days) period for mobilization and training etc. However, further maximum 03 (Three) months can be allowed to Successful Bidder to deploy new sets of equipment, provided they start the work within the stipulated mobilization period of 03 (Three) months with their available equipment to sustain production as per target given in the work order. In case Successful Bidder fails to deploy three new sets of equipment within 06 (Six) months from the date of LOI/WO whichever is earlier, penalty shall be levied as follows – 10% per month per set of agreed per metric tonne rate on monthly targeted production up to next 30 days or prorata thereof and beyond 30th day to 60th day or prorata thereof, penalty would be 20% per month per set of agreed per metric tonne rate on monthly targeted production. From 61st day onwards, penalty rate shall be 30% per month per set of agreed per metric tonne rate on monthly targeted production or prorata thereof. Simultaneously beyond post-mobilization 60<sup>th</sup> day, HCL shall issue prior notice to the Successful Bidder, informing HCL's right to get the work done at the risk & cost of Successful Bidder. In case of non deployment of new sets of equipment within the extended period i.e, upto six months from the date of LOI/WO whichever is earlier , and the penalty shall continue to be imposed on the Successful Bidder, till they deploy new set of equipment. However, HCL reserves the right to award the contract on successful bidders' risk and cost post extended period.

The Successful Bidder shall provide copy of Purchase Orders (POs) for three LHD of 10 metric tonne capacity and three LPDT of 30 metric tonne capacity placed by them on the equipment supplier within 07 day of issue of LOI.

The Successful Bidder shall ensure reliability/availability of Diesel Equipment supplied for the scope of work during the contract period in such a way that the production does not suffer. In case of any break down of the equipment, the same should be immediately attended to and intimated to the Engineer-in-charge or his representative.

The Successful Bidder shall submit daily shift report to the Engineer-in-charge/representative of Engineer-in-charge specifying working place, total operating hours and total tonnage measured.

**Observing Regulation and Stoppage of Work:** The Successful Bidder shall take full responsibility for stoppage of the work by statutory authorities of Central, State or local authorities for non-compliance and violation of the statutory provisions of Mines Act, 1952, Mines Rules 1955 and Metalliferous Mines Regulation 1961 etc. Such stoppage of work shall not be taken as valid reason for not achieving the targets and Company shall be free to impose penalty/ levy Liquidated Damages stipulated in the tender document. The Successful Bidder at his own cost and time shall rectify the defects /violations pointed out by statutory authorities. The Successful Bidder agrees and does hereby accept full and exclusive liability for compliance with

all the obligation imposed by the Mines Act 1952, Mines Rules 1955, Metalliferous Mines Regulations 1961, Contract Labour (Regulation and Abolition) Act 1970, Payment of wages Act 1936, Industrial Dispute Act 1947, Mineral Conservation and Development Rules, Workmen Compensation Act 1923, Employees provident fund and miscellaneous provisions Act 1952 and all other Acts applicable to mine workings, all the Regulations, Rules, By-laws, Circulars and Orders framed there under etc. statutory formalities and Govt. dues involving different taxes, cess and interest and Successful Bidder further agrees to defend, indemnify and hold Company harmless from any liability or penalty which may be imposed by the Central/State Govt. and also from all claims, suits or proceedings that may be brought against Company.

The contract can be short closed through mutual discussion between HCL and the contractor. If HCL wants to short close the contract, then they shall give a notice to the contractor expressing their willingness for short closure, 30 days in advance and call for a joint meeting on the issue. If both the parties i.e. HCL and the contractor mutually agree and / or consensus is arrived at for short closure upon the meeting, then the contract can be short closed by giving 3 (three) months notice from the date of agreement.

The Successful Bidder can start the work during mobilization period and claim their bills for payment. There will be no target in the mobilization period. The achievement of mobilization period will not be carried over to the achievement of first year or subsequent years.

The liquidated damage will be maximum of 10% of the total awarded value (excluding GST).

However, if there is shortfall in the achievement due to such circumstances, which are under the control of HCL/KCC, liquidated damages will not be applicable & in that case, proportionate reduction in the monthly/quarterly target will be allowed.

Non-achievement of targets will, however, not attract any liquidated damages in case the same is established due to force majeure conditions as stipulated under the contract.

HCL shall have the right to adjust the Liquidated Damage which HCL may become entitled to from any amount payable by HCL to the contractor under the contract and in case no payment is due from HCL to the contractor, the contractor shall promptly and without demur or protest arrange remittance to HCL on demand.

If the delay in completion of execution of job is attributable to HCL, or due to a Force Majeure event, then Competent Authority may consider waiving of LD, provided the occurrence of the event is informed by notice to HCL, immediately thereof.

#### **8.7 Situation when Reduction not leviable:**

The Contractor is not liable to Reduction, if such Reduction is triggered on account of following events:

- (i) delay in delivery of the Work Site or any part thereof by HCL,

- (ii) suspension of Works or part thereof by HCL or the Engineer-in-Charge, for reasons not attributable to the Contractor,
- (iii) Change of Scope Order
- (iv) HCL Event of Default, and

**ARTICLE - 9**  
**FORCE MAJEURE**

**9.1 Force Majeure Events**

If at any time during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract shall be prevented or delayed by reasons of war, act of hostility of public enemy, civil disruption or sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lock-outs or acts of God (here-in-after referred to as events), provided notice of the happening of any such eventuality is given by the either party to the other within 21 days from the date of occurrence thereof, neither party shall by reasons of such event be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such non – performance or delay in performance / execution under this contract. Provided also that such performance/execution under the contract should commence as soon as practicable, after such event has come to an end or ceased to exist, and the decision of HCL as to whether the performance has been so resumed or not shall be final and conclusive. Provided further that if the performance in whole or in part or any execution under this contract is prevented or delayed by reasons of any such event for a period exceeding 60 days, either party may opt to terminate the contract. If the contract is terminated under this clause, HCL shall have liberty to take over from the contractor at a reasonable price, all unused, undamaged and acceptable materials, machinery, equipments, etc. at the site being used for the performance of the contract and in the possession of the contractor at the time of such termination of such portion thereof as HCL may deem it fit, except such materials, equipments, etc that the contractor may with the concurrence of HCL elect to retain. It is also understood in addition that this force Majeure clause will cover parties' inability to perform on account of change in law or imposition of rules or restrictions by the Government.

**9.2 Foreclosure of Contract Full or in Part**

If at any time after acceptance of the TENDER, HCL shall decide to foreclose or reduce the scope of the Works and hence not require the whole or any part of the Work to be carried out, the Engineer-in-Charge shall give 3 months notice in writing to that effect to the Contractor, provided that:

In the event, any such action is taken by HCL, the Contractor shall be paid full amount for the up to date quantum of Work executed at Work Site as per billing schedule under the relevant items of Work under this Contract and in addition, a reasonable amount as certified by the Engineer-in-Charge or any other agency appointed by HCL for those supplied items which could not be utilized for execution of the Work to the full extent because of the foreclosure.

## **ARTICLE - 10**

### **MATERIAL BREACH AND SUSPENSION**

#### **10 MATERIAL BREACH AND SUSPENSION**

- 10.1** If the Contractor shall be in Material Breach of this Contract, HCL shall be entitled in its sole discretion and without prejudice to its other rights and remedies under this Contract including its right of Termination hereunder, to (i) suspend all or any of the rights of the Contractor under this Contract including payment of Contract Price by HCL and (ii) exercise the rights of the Contractor under this Contract itself or authorize any other person to exercise the same during such suspension. Such suspension by HCL shall be by a communication in writing to the Contractor and shall be effective forthwith upon the issue thereof to the Contractor. Provided, however, that the period of such suspension under this Article shall not exceed one hundred and twenty (120) days.
- 10.2** Subject to Article 10.1 above, HCL shall have the right to utilize the proceeds of Contract Price and Performance Security for meeting the costs incurred by HCL to remedy and rectify the cause of such suspension and for defraying the maintenance expenses during such suspension period. Provided, however, that if the Contractor is making diligent efforts to remedy and rectify such cause, then HCL shall allow the Contractor reasonable time and opportunity for such remedy or rectification.
- 10.3** The suspension of the rights of the Contractor by HCL pursuant to Article 10.1 above shall be revoked by HCL forthwith upon the Contractor having remedied the Material Breach during such suspension period to the satisfaction of HCL unless in the meantime this Contract has been terminated by HCL in accordance with Article 12.
- 10.4** At any time during the period of suspension under this Article, the Contractor may in writing notify to HCL that it does not intend to cure the breach or default that had caused such suspension. Within seven (7) days of receipt of such notice, HCL shall terminate this Contract as if a Material Breach of this Contract had occurred on account of a Contractor Event of Default.

## **ARTICLE - 11**

### **EVENTS OF DEFAULT AND TERMINATION**

#### **11.1 Events of Default**

The following events shall be termed as Events of Default:

If the Contractor shall not execute the contract in the manner as stipulated in the Contract or if the Contractor or of it, in the opinion of the HCL:

- (a) Does not execute the contract in conformity with the provisions of the Contract, or
- (b) Substantially suspends any part of its execution for a period of fourteen (14) days without authority from HCL, or
- (c) Fails to carry on and execute the Contract to the satisfaction of HCL or
- (d) Commits or permits any other breach of any of the provisions of the Contract (on the part of the Contractor to be performed or observed) or persists in any of the above mentioned breach of the Contract for fourteen (14) days, after notice in writing shall have been given to the Contractor by the HCL requiring such breach to be remedied, or
- (e) Abandon the Work(s), or
- (f) During the continuance of the Contract, becomes bankrupt, makes any arrangement or composition with its creditors, or permits any execution to be levied or goes into liquidation other than for the purpose of amalgamation or reconstruction; or
- (g) Does not perform as per the agreed programme submitted by the Contractor.

#### **11.2 Termination due to Events of Default**

- (a) If HCL decides to terminate this Contract, it shall in the first instance issue Preliminary Notice to the Contractor. Within 15 days of receipt of the Preliminary Notice, the Contractor shall submit to HCL in sufficient detail, the manner in which it proposes to cure the underlying Event of Default (the “**Contractor's Proposal to Rectify**”). In case of non submission of the Contractor's Proposal to Rectify within the said period of fifteen (15) days, HCL shall be entitled to terminate this Contract by issuing Termination Notice, and to appropriate any Security, if subsisting.
- (b) If the Contractor's Proposal to Rectify is submitted within the period stipulated thereof, the Contractor shall have to its disposal a further period of fifteen (15) days to remedy / cure the underlying Event of Default. If, however it fails to remedy/cure the underlying Event of Default within the stated period, HCL shall be entitled to terminate this Contract, and to appropriate the Security, if subsisting.

#### **11.3 Rights of HCL on Termination**

- (a) HCL shall have the power to terminate the Contract and enter upon the Work(s) and take possession thereof and of the material, Temporary Works, Construction Plant, and stock thereon, and to revoke the Contractor's license to use the same, and to complete the Work(s) by its agents, other contractor or workmen, or to re-let the same upon any terms and to such other Persons as HCL in its absolute discretion may think proper to employ and for this purpose use or authorize the use of any material, Temporary Works, Construction Plant, equipment, stock etc. as aforesaid without making payment or allowance to the Contractor for the said material, other than such as may be certified in writing by the Engineer-in-Charge to be reasonable, and if HCL shall by reason of its taking possession of the Work(s) or of the Work(s) being completed by other contractor (due account being taken on any such extra work or Works which may be omitted) incur any extra cost then the amount of such excess as certified by the Engineer-in-Charge shall be deducted from any money which may be due for Work done by the Contractor under the Contract and not paid for and/or Performance Security . Any deficiency shall forthwith be made good and paid to HCL by the Contractor and HCL shall have power to sell in such manner and for such price as it may think fit, all or any of the Construction Plant, material etc. constructed by or belonging to and to recoup and retain the said deficiency or any part thereof out of the proceeds of the sale.
- (b) The money that may have been due to the Contractor on account of Work executed by it shall not be payable to the Contractor before the expiry of six (6) calendar months reckoned from the date of Termination of the Contract or from the taking over the Work or part thereof by HCL as the case may be, during which period the responsibility for faulty materials or workmanship in respect of such Work under the Contract will be exclusively with the Contractor and such money shall be subject to deduction of all amount due from the Contractor to HCL, whether under the terms of the Contract or otherwise, or required to be retained by HCL.
- (c) The rights and remedies of HCL as per this Article shall not constitute as limitation of Contractor's liabilities but shall be exclusive and in addition to any other rights and remedies provided under the Contract or by law for the time being in force.
- (d) Any waiver by HCL of any breach of the terms or conditions of the Contract shall not constitute a waiver of any subsequent breach of the same.
- (e) Any failure by HCL at any time or from time to time to enforce or require strict performance by the Contractor of any of the terms and conditions of the Contract, shall not constitute a waiver by HCL of a breach of any such terms or conditions and shall not affect or impair such terms or conditions in any way or the right at any time to avail himself of such remedies as it may have for any such breach or breaches of such terms or conditions.
- (f) Failure to enforce any condition herein contained shall not operate as a waiver of the condition itself or any subsequent breaches thereof.

#### **11.4 Rights of Parties**

Notwithstanding anything to the contrary contained in this Contract, Termination pursuant to any of the provisions of this Contract shall be without prejudice to accrued rights of either Party including its right to claim and recover money, damages and other rights and remedies which it may have in law or contract. The rights and obligations of either Party under this Contract, including without limitation those relating to Termination Payment, shall survive the Termination but only to the extent such survival is necessary for giving effect to such rights and obligations.

#### **11.5 Termination Payments**

**11.5.1** In the event, any such action is taken by HCL, the Contractor shall be paid full amount for the up to date quantum of Work executed at Work Site as per billing schedule under the relevant items of Work under this Contract.

## **ARTICLE - 12**

### **DIVESTMENT OF RIGHTS AND INTERESTS**

#### **12 DIVESTMENT OF RIGHTS AND INTERESTS**

**12.1** Upon Termination of this Contract, the Contractor shall comply with the following:

- (a) notify to HCL forthwith the location and particulars of all Work Facilities;
- (b) deliver forthwith actual or constructive possession of the Work Site and Work Facilities free and clear of all Encumbrances and execute such deeds, writings and documents as may be required by HCL for fully and effectively divesting the Contractor of all of the rights, title and interest of the Contractor in the Work Facilities free of any charge or cost to HCL; and
- (c) comply with the divestment requirements set out in Article 12.2 below.

**12.2** Upon Termination of this Contract, the Contractor shall comply and conform to the following Divestment Requirements in respect of the Work Facilities:

- (a) all Work Facilities including the equipment, roads, pavements, shall have been renewed and cured of all defects and deficiencies as necessary so that the Facilities are compliant with the Work Requirements set forth in this Contract ;
- (b) the Contractor delivers relevant records and reports pertaining to the Work;
- (c) the Contractor executes such deeds of conveyance, documents and other writings as HCL may reasonably require to convey, divest and assign all the rights, title and interest of the Contractor in the Work Facilities free from all Encumbrances absolutely and free of any charge or tax unto HCL or its nominee; and
- (d) the Contractor complies with all other requirements as may be prescribed under Applicable Laws to complete the divestment and assignment of all the rights, title and interest of the Contractor in the Work free from all Encumbrances absolutely and free of any charge or tax to HCL or its nominee.

**12.3** Not earlier than three (3) months before the expiry of the Contract Period but not later than thirty (30) days before such expiry, or in the event of earlier Termination of this Contract, immediately upon but not later than fifteen (15) days from the date of issue of Termination Notice, the Engineer-in-Charge shall verify, in the presence of a representative of the Contractor, compliance by the Contractor with the divestment requirements in relation to the Work Facilities and, if required, cause appropriate Tests to be carried out at the Contractor's cost for determining the compliance therewith. If any shortcomings in the divestment requirements are found by either Party, it shall notify the other of the same and the Contractor shall rectify the same at its cost.

**12.4** Upon the Contractor conforming to all divestment requirements and handing over actual or constructive possession of the Work Site to HCL or a person nominated by HCL in this regard, HCL shall issue a certificate (the "**Vesting Certificate**") within one month of Contractor

conforming to all divestment requirements and handing over actual or constructive possession of the Work Site and Work Facilities to HCL, which will have the effect of constituting evidence of divestment of all rights, title and lien in the Work Site and Work Facilities by the Contractor and their vesting in HCL pursuant hereto. Issue of the Vesting Certificate shall not be unreasonably withheld by HCL. The divestment of all rights, title and lien in the Work shall be deemed to be complete on the date when all the divestment requirements have been fulfilled and Vesting Certificate has been issued, it being expressly agreed that any defect or deficiency in any divestment requirement shall not in any manner be construed or interpreted as restricting the exercise of any rights by HCL or its nominee on or in respect of the Work on the footing as if all divestment requirements have been complied with by the Contractor.

## **ARTICLE - 13**

### **MODE OF PAYMENT BY HCL**

#### **13.1 Mode of Payment**
