8	Page 8, clause 1.2.2.2 c	... As on 01.04.2018, Kolihan Copper mine has estimated ore reserves 14.50 million tonnes x 1.33 % Cu upto (-) 60 mRL. Diamond Drilling for further depth continuity of ore body beyond (-) 60 mRL is under progress.	.... As on 01.04.2018, Kolihan Copper mine has estimated ore reserves 14.50 million tonnes x 1.33 % Cu upto (-) 60 mRL, <b>which are measured and in indicated category.</b> Diamond Drilling for further depth continuity of ore body beyond (-) 60 mRL is under progress.												
9	Page 10, clause 1.8	The second bid will be opened only in e platform for those bidders who have qualified techno-commercially in the first bid.  In case it necessitates ..... if required by HCL.	The second bid will be opened for those bidders who have qualified techno-commercially in the first bid. <b>The price bid should be attached in PDF format in e-bidding platform in INR or in USD. However, the bidders should not fill anything in price bid in e platform and if filled, will not be considered for evaluation of L1 bidder.</b>  <b>The bidders are allowed to quote the price in INR or</b>												

			<p>in USD only.  <b>For evaluation of L1 bidder in INR, the closing SBI TT Selling rate of exchange (applicable for transaction of above Rs 10 lakh) on the previous working day of the date of opening of Part 1 bid (Techno – Commercial) shall be considered for those bids which are quoted in USD.</b></p> <p>In case it necessitates ..... if required by HCL.</p>
10	Page 13, Clause 4	<p><b>PRICE:</b> Price Bid shall be submitted through Enterprise Procurement System through Internet. Price bid of Techno-commercially acceptable tenderers ONLY as assessed by HCL shall only be evaluated. The schedule and details of e-procurement event shall be communicated by HCL/Service Provider (Mjunction Services Ltd.) to the techno-commercially accepted bidders. During the online Enterprise Procurement System, Price to be submitted in the Price Bid format On-line. Rating of successful bidder shall be done on lowest quoted rate basis</p>	<p><b>PRICE:</b> Price Bid shall be submitted through Enterprise Procurement System through Internet <b>as separate attachment in PDF format.</b> Price bid of Techno-commercially acceptable tenderers ONLY as assessed by HCL shall only be evaluated. The schedule and details of e-procurement event shall be communicated by HCL/Service Provider (Mjunction Services Ltd.) to the techno-commercially accepted bidders. During the online Enterprise Procurement System, Price to be submitted <b>as separate attachment in PDF format and not in the Price Bid format On-line.</b> Rating of successful bidder shall be done on lowest quoted rate basis.</p>
11	Page 16, Clause 1.19	<p><b>1.19 OPENING AND EVALUATION OF BIDS</b></p>	<p><b>1.19 OPENING AND EVALUATION OF BIDS</b></p> <p>Clause will be added as under:  <b>1.19.2 The taxes &amp; duties including income tax, which are to be borne and paid by HCL, shall be added to the quoted price for price bids submitted in USD for the purpose of price evaluation at the applicable rates as on base date and this will be applicable for clause 1.21. Hence the bidders who bid in USD must specify the taxes which the bidder will bear and is included in the Price bid amount.</b></p>
12	Page 18, Clause 1.4	<p><b>Currency for payment:</b> All payments shall be made in Indian Rupee. Payment will not be made in any other currency.</p>	<p><b>Currency for payment:</b> All payments to L1 bidder shall be made in INR if the price bid is submitted in INR or in USD if the price bid is submitted in USD.  For making payment in USD, payment mechanism will be as below:  1. For stage wise payment, first quotation in USD will be converted in INR considering closing SBI TT</p>

			<p>Selling rate of exchange (applicable for transaction of above Rs 10 lakh) on the previous working day of the date of opening of Part 1 bid (Techno – Commercial) shall be considered.</p> <p>2. For stage wise payment in USD during the entire contract period, INR calculated in previous para 1 above, will be broken down in as per clause 1.1, i.e. Payment Mechanism and will be paid in equivalent USD considering the SBI TT Selling rate of exchange prevailing on the date of payment (to maintain standing of L1 bidder during the entire contract period).</p>
13	Page 18, Clause 1.5	Payment will be made shall be made by credit period of 30 days from the receipt of report, after applicable deduction, if any.	Payment shall be made with a credit period of 30 days, <b>after due acceptance of the bills raised by the party (complete in all respects), by the user department,</b> after applicable deduction, if any.
14	Page 25, Appendix III	<p><b>Rate (INR)</b></p> <p><b>Amount (INR)</b></p>	<p><b>Rate (INR/USD#)</b></p> <p><b>Amount (INR/USD#)</b></p> <p><b>Note :</b></p> <p><b>#For USD bidding, The taxes &amp; duties including income tax, which are to be borne and paid by HCL, shall be added to the quoted price for price bids submitted in USD for the purpose of price evaluation at the applicable rates as on base date and this will be applicable for clause 1.21. Hence the bidders who bid in USD must specify the taxes which the bidder will bear and is included in the Price bid amount. (Revised Appendix III enclosed)</b></p>
15	Page 2 point 2	The Tender document can ..... ... and summarily rejected.	The Tender document can be collected from the office of the Executive Director (Materials and Contracts), HCL, Kolkata as per clause 1.7 on any working day. Tender document can also be downloaded from HCL website ( <a href="http://www.hindustancopper.com">http://www.hindustancopper.com</a> ).
16	Page 2	HCL invites sealed tenders under two-bid system from reputed mining consultant to optimise and increase ore production from its existing mines at Khetri Copper Complex (KCC) Jhunjhunu, India	HCL invites offers under two-part bid system from reputed mining consultant to optimise and increase ore production from its existing mines at Khetri Copper Complex (KCC) Jhunjhunu, India taking into account augmenting the existing infrastructure requirement, ventilation requirement, underground ore tramming

		<p>taking into account augmenting the existing infrastructure requirement, ventilation requirement, underground ore tramming system, ore handling system etc, over a period of six (6) months (excluding 1 month of mobilization period). The interested mining consultant are requested to note the following:</p> <p>1. Under two-bid system, the first bid (the "Technical Qualification Bid") of the process involves qualification of interested parties in accordance with the provisions of the pre-qualification criteria (PQC) stipulated in the tender and the second bid is the "Price Bid". Both the bids have to be submitted in separate sealed envelopes. The price bid will be opened only of those bidders who qualify techno- commercially. Please refer clause no. 2.6 for detailed procedure for submission of offers.</p>	<p>system, ore handling system etc, over a period of <b>nine (9) months</b> (excluding 1 month of mobilization period). The interested mining consultant are requested to note the following:</p> <p>1. Under two-<b>part</b> bid system, the first <b>part</b> (the "Technical Qualification Bid") of the process involves qualification of interested parties in accordance with the provisions of the pre-qualification criteria (PQC) stipulated in the tender and the second <b>part</b> is the "Price Bid". The price bid will be opened only of those bidders who qualify techno- commercially. Please refer clause no. 2.6 for detailed procedure for submission of offers.</p>
